

Weekly Roundup – 22nd January 2021

A message from our Head of School

This week the senior team and I have visited a wide range of online lessons. The quality of learning, which is taking place, is phenomenal. Teachers are going beyond expectations to deliver the absolute best and students are a credit to the school and community. The hard work and effort put in by all is clear to see. Over the coming weeks we will be continuing with online learning in the hope that in the not too distant future we can return to school. In the meantime can I ask you regularly check our website and follow up on our social media channels for the latest news. Finally, we have produced a weekly student bulletin for lockdown; ask your child to check their email account to access a copy.

Everest's Walking House Competition

Our first house competition in lockdown is here! We are challenging all students and staff to travel from Land's End to John O'Groats through exercise. Whether you are running, walking or cycling be sure to track your miles and submit them to Miss Godfrey. Which house will be the first to travel the entire length of the UK?

To celebrate student's hard work we thought we would highlight those who have achieved over 100 positive class chart points since the start of term. We have also updated the class charts system. Students can now also receive positive point's contributions to online learning.

Food Technology Creations

Our year 10 students have been working hard on perfecting their time management skills, whilst cooking up a full English breakfast - yum! We don't know about you, but we are definitely in the mood for having breakfast for dinner after seeing these delicious meals!
